

Carmels

Carmels has two fabulous outlets in which to find what you need.

If it is anything to do with sewing, craft, knitting or beading Carmels has an enormous variety of stock at unbelievable prices. A business of more than twenty five years standing, Carmels provides professional staff with extensive knowledge that are able to advise on almost any project, including dress design and costume making. Designer fabrics generally between 50-70% off retail prices, and at our Fabric Clearance Warehouse prices start at \$0.99 cents a metre and has nothing over \$4.99 a metre.

The Fabric and Haberdashery store has a fabulous range of dance and costume fabrics. Further discounts apply to *Seniors Card* holders and bulk purchasers.

Carmels First Club members receive special discounts and offers throughout the year with purchases over \$15.00 redeemed towards gift vouchers – see our website for terms and conditions.

Combine these offers with our exclusive *Student Privilege Card*, **it is really worthwhile making the trip to the Mentone area to see what we have to offer.**
